R75VS Bucket

Compact-class bucket for utility and municipal work. Light, fast cycle, reinforced side cutters.

R75VS

0.3 m³ class

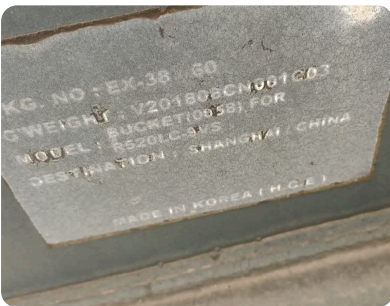

R215VS Standard Bucket

The most requested size for general earthwork. Every unit is measured and photographed — height 1.13 m, depth 80 cm on the current batch.

R210 / R215VS / R220

1.0 m³ class

R520 Rock Bucket

Heavy-duty shell and reinforced lip for quarry and demolition. Genuine Hyundai plate with part number 66QB-30904 photographed per unit.

R420 / R520

Rock duty

Wear-plate Reinforced Bucket

Extra plates welded on the bottom and side wear zones for abrasive sand, slag and demolition debris — extends bucket life where standard shells wear through in months.

NM400 / NM450

Custom width

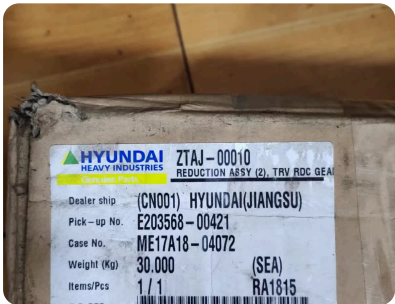

HX150 Undercarriage Assembly

Part number 54K4-02011. Produced on a main-plant OEM line — robotic welding, machining centres, non-destructive testing on critical areas. Stamped part number plus original package label photographed before dispatch.

- 54K4-02011
- HX150
- Genuine label

Component	Typical models
Track chain assembly	R60 – R520
Track shoes / rollers / idlers / sprockets	R60 – R520
Complete undercarriage assembly	HX150, R210, R215VS

Travel Gearbox — 2-stage

ZTAJ-00010, 30 kg, genuine. Complete gear set including planetary gears for 850-size travel drives. Individual planetary and sun gears, bearings and shafts available for gearbox repair.

- ZTAJ-00010
- Genuine
- 850 class

How to Order 04

1 · Send your enquiry

Machine model + serial number, or the part number. Photos of the old part or label are welcome — we identify it for you.

2 · Line-by-line quotation

Every item priced separately: genuine or OEM-grade, unit price, weight, freight option. Reply within 24 hours on business days.

3 · Photos before shipment

Each item photographed with its part-number stamp or label before packing. You see exactly what ships.

4 · Export packing

Sea (LCL/FCL) or air freight from Shanghai / Ningbo. Wooden cases and export cartons as required.

Also Supplying 05

Hydraulic pumps, travel & swing motors, cylinders and seal kits · Engine parts: piston & liner kits, overhaul gasket sets, turbochargers, water / oil pumps, injectors, complete filter sets · Electrical: ECUs, monitors, sensors, solenoids, 24 V starters and alternators · GET: bucket teeth, adapters, cutting edges, side cutters, pins and retainers.

Not sure which part fits? Send a photo of the old part, the machine model and serial number — we will identify it, quote it and tell you honestly if it is not worth importing.
